

IMPORTANT NOTICE

PROPOSED CHANGE TO GARBAGE PICK-UP

Effective January 1st, 2021: Garbage pick-up will be CURBSIDE only.

- Beginning 1/01/2021, Rumpke trash service will be collected curbside, at the same location you currently have your recycling and/or yard waste collection service.
- Any resident with rear lane/alley service will continue to have rear lane/alley service with their trash collection.
- Rumpke will deliver one 65-gallon trash cart to ALL households in Mariemont in early January (use your current trash can until Rumpke delivers your new 65-gallon cart).
- If you currently rent a 96-gallon cart and are billed directly from Rumpke, you may make arrangements with Rumpke to have your rental cart picked up or keep it and continue paying the rental fee.
- You will be required to place ONE sticker on the new Rumpke 65-gallon cart (you may disregard the current wording on the sticker regarding 45-gallon cans or 50 pounds).

You will receive a pamphlet in mid-December from Rumpke with more details.
