October 05, 2020

Dear Resident,

The Service Department is asking for your help when raking your leaves:

- 1) **DO NOT** rake leaves into the street. This will only clog the drains, and the leaf crew will have to stop picking up leaves to unclog the drain.
- 2) The **Village Ordinance 50.15 Depositing obstructive refuse in sewers and 50.16 "Obstructing Drainage by Dumping"** or **Village Ordinance 93.040, "Dumping of brush, leaves, and/or grass clippings on public property.**
- 3) You can put leaves in a trash container marked "yard Waste" or in a brown paper recycling bag and place the bags at the curb on your normal trash day. This is now every Tuesday

The Maintenance Department will start curbside pickup on Monday, October 26, 2020. The last day for the curbside pickup is the week of December 14, 2020. Prior to October 26, 2020, and after December 18, 2020, all leaves must be bagged or placed in a yard waste container and placed at the curb. Rumpke will remove all yard waste placed at the curb on your scheduled day.

**Covid 19 has us changing the way we do leaf pick up this year. We will not have part time help. We will only have two trucks running with two men crew.**

On the weeks we do brush pick up only one truck will be running Monday and Tuesday. Monday and Friday's, we clean up parks and empty trash cans, this will limit the amount of leaves picked up that day.

As always limited leaf pick up during Thanksgiving week and the week after as we prepare for the tree lighting. **There will be no leaf pick up on Thursday, November 26, and Friday, November 27, 2020.**

If you have any problems getting the yard waste picked up by Rumpke, please call Rumpke at (513) 851-0122 ext 8751.

If you have, any questions about our leaf pickup, you may contact the Service Department at 272 – 5741.

Respectfully,  
  
John Scherpenberg Superintendent
